

## ENVIRONMENTAL POLICY STATEMENT

---

M & J Bowers Ltd top management are committed to being responsible business owners. We believe that we are responsible for achieving good environmental practice and operating in a sustainable manner.

We are therefore committed to reducing our environmental impact and continually improving our environmental performance as an integral and fundamental part of our EMS, business strategy and operating methods

It is our priority to encourage our customers, suppliers and all business associates to do the same. Not only is this sound commercial sense for all; it is also a matter of delivering on our duty of care towards future generations.

Our policy is to: -

- wholly support and comply with the requirements of current environmental legislation;
- minimize our waste and then reuse or recycle as much of it as possible;
- minimize energy and water usage in our premises, vehicles and processes in order to conserve supplies, and minimize our consumption of natural resources, especially where they are non-renewable;
- operate and maintain company vehicles with due regard to environmental issues as far as reasonably practical and encourage the use of alternative means of transport and car sharing as appropriate;
- apply the principles of continuous improvement in respect of the management system and its significant aspects a from our premises and reduce any impacts from our operations on the environment and local community;
- as far as possible purchase products and services that do the least damage to the environment and encourage others to do the same;
- assess the environmental impact of any new processes or products we intend to introduce in advance;
- ensure that employees understand our environmental policy and conform to the standards it requires;
- address complaints about any breach of our Environmental Policy promptly and to the satisfaction of all concerned;
- Top management to review and monitor the EMS regularly along with the environmental policy
- To provide a framework for setting Environmental objectives
